

## Spring cards

### Supplies needed:

- \*blank cards (Michael's, Target, online)
- \*stickers
- \*spring images, spring photos you'd like to use
- \*springy washi tape
- \*glue or double sided tape

### How to:

1. Decorate the cards! Glue/tape images, stickers onto blank cards. I like to glue a colorful piece of cardstock to add some color or simply buy colorful cards!
2. Address and mail the cards to family and friends for a sweet spring surprise :)
