

Fall Cards

Supplies needed:

- *blank cards (Michael's, Target, online)
- *stickers
- *images, photos you'd like to use
- *Fall inspired washi tape
- *glue or double sided tape
- *Seasonal stamps really add some flair!

How to:

1. Decorate the cards! Glue/tape images, stickers onto blank cards. I like to glue a piece of cardstock to add some color or simply buy colorful cards.
2. Address and mail the cards to family and friends for a sweet spring surprise :)
